

Shashank S

Machine Learning Engineer — High Performance Computing

contact@knhash.in • knhash.in • linkedin.com/in/knhash

Education

Master of Science, *Computer Science*

Georgia Institute of Technology, Atlanta, USA

2026

- Specialization: High Performance Computing — *GPA 4.0/4.0*
- Relevant Coursework: CS 7643 DL, CS 7641 ML, CSE 6220 HPC

Bachelor of Engineering, *Computer Science and Engineering*

Sir M. Visvesvaraya Institute of Technology, Bangalore, India

2018

- Thesis: Image Regeneration with Generative Models — *GPA: 3.6/4.0*
- Electives: Pattern Recognition, Artificial Intelligence, Clouds/Grids/Clusters

Professional Experience

Senior Machine Learning Engineer

Walmart, Bangalore, India

Dec 2024 – July 2025

- Designed comprehensive observability framework for ML model monitoring with automated promotion workflows and artifact tracking visualizations
- Engineered Text2SQL agentic workflow with LLM integration enabling natural language data analysis via chat interface
- Led ML Excellence initiatives through common utilities package development and rigorous testing implementation

Machine Learning Engineer 3

Glance, InMobi, Bangalore, India

May 2021 – Nov 2024

Promoted from Data Scientist 2 to Machine Learning Engineer 3 (Jul 2022)

- Architected hierarchical recommendation system using Multi-Armed Bandits and Elo ratings, scaling to 100M+ DAUs with sub-500ms latency across distributed serving infrastructure
- Built clustering-based look-alike model for sparse users achieving 5% engagement increase and deployed GBM image recommendation system serving 10M DAU cohort with sub-50ms latency
- Led ML automation platform implementing production-grade practices with Neptune metrics, model controllers, and pipeline optimizations for real-time processing at scale
- Developed graph-based consumer-creator recommendation system and implemented event-driven personalization using PySpark Structured Streaming for 1M+ daily active users

Data Scientist

Bright Money, Bangalore, India

Jun 2019 – Apr 2021

Promoted from Junior Research Scientist to Data Scientist (Jan 2021)

- Productionized flagship Debt Manager AI system with end-to-end financial analysis and automated payment management, scaling on AirFlow and Django to serve 10K+ users processing \$100K+ daily transaction volume
- Founded data science function developing zero-to-one ML products: bill identification, affordability prediction, and overdraft prediction models
- Built predictive models for income, expense, balance forecasting and optimized retention metrics through advanced user behavior analysis

Technical Skills

- **Machine Learning:** Deep Learning, NLP, Recommender Systems, LLM, Agentic Workflows, MLOps
- **High-Performance Computing:** Distributed Systems, Large-scale Model Serving, Real-time Processing, Performance Optimization, MPI, OpenMP, CUDA
- **Frameworks & Infrastructure:** Spark, AWS, Azure, GCP, Django, AirFlow, Prometheus, Grafana, Kubernetes, Argo, Neptune, Superset
- **Languages and Tools:** Python, PySpark, SQL, Go, C/C++, Shell, JavaScript, Git, PostgreSQL
- **Foundations:** Algorithms, Data Structures, Linux, Statistics, Probability, Linear Algebra

Patents

Automated Debt Management System

- *USPTO Patents:* [US20220261886A1](#), [US20230075411A1](#)
- Research and development for AI-driven debt management and payment optimization for Bright Money

Publications

Deep Learning for Meibomian Gland Segmentation and Quantification

- *Biomedical Signal Processing and Control Journal*
- CNN-based medical image segmentation strategy for ophthalmology, at Robert Bosch

Extra-Curricular & Volunteering

Section Leader

Code in Place, Stanford University — Online Python programming fundamentals across [2021](#), [2023](#), [2024](#).

Shank Sessions

[YouTube Channel](#) — Podcasts, Game Streaming (Factorio!), Moto vlogging

Side Projects

Fun things deployed on the cloud. See [knhash.in/den](#) for details. Also see my blog at [knhash.in/blog](#).

Honors and Awards

- [ACM ICPC 2015](#)
- [Letter of Commendation by Minister of HRD, Kendriya Vidyalaya, AISSCE](#)
